

DRESS DOWN IN BLUE for AUTISM

Friday, April 6, 2018

Johnston Public Schools will hold their annual Dress Down In Blue for Autism Awareness Event to support **The Johnston Special Education Advisory Committee (JSEAC)**.

Learn more at www.johnstonschools.org

All funds raised will benefit **JSEAC**, a group of parents, teachers, staff, administrators and community members who have made a commitment to help all Johnston students with special needs.

We share resources, evaluate existing systems, identify areas of concern in programs, practices and services, provide up-to-date information to parents, and advise groups at the district and town level.

Checks can be made payable to: Johnston Public Schools. Please write JSEAC on the memo line.
