

PROTECT WHAT CAN'T GROW BACK

There are approximately
80,000 injuries
 every year related to
 lawn mowers in the US

Every year approximately
9,400 children
 receive emergency care
 from lawn mower related
 injuries

Two people should never ride a lawn mower together. The second person could fall off risk getting run over.

Blades from lawn mowers can reach speeds of

3000 rpm
 and hurl objects at
232 mph

Lacerations, amputations, fractures and sight loss can result from lawn mower injuries

Keep your green thumbs

Wear heavy boots, eye protection, long pants, close-fitting clothes

Be aware of your surroundings and keep children and pets out of the yard

Clear the area of stones, twigs, and toys before mowing
