

Parent to Parent

Parent Training Series 5 weeks

Parent to Parent is a unique training series in which trained parent coaches offer their experiences and education to support families who are raising a child with an ASD.

Parents have the opportunity to network with other caregivers to learn about strategies, support and resources available to them and their children.

Week 1: Understanding ASD

Week 2: Communication

Week 3: Visual Supports

Week 4: Visual Supports in Practice

Week 5: Positive Advocacy
