June 17, 2016

Dear Parents/Guardians,

We have updated our summer packets so that they are aligned more closely with the standards and expectations that we have here at N.A. Ferri Middle School. The packets may be found on our school's website (<http://fms.johnstonschools.org/>), as well as our district's website (<http://www.johnstonschools.org/StudentParent-Links/Summer-Packets-and-Summer-School-Registrations/index.html>).

Some reminders concerning our summer reading/math packets:

- Packets are due the first day of school, September 1.
- Please be sure that your child follows directions carefully.
- Math answers should be recorded on the provided answer sheet unless otherwise noted.
- The Marion J. Mohr library is open during the summer should students need to avail themselves of its services.

Students must keep the following in mind:

- Not doing your summer packet is NOT an option.
- Make sure that the quality is there and that you would be proud to hang it in the foyer of our school.

Please let me know if you have any question,

Dennis Morrell
Principal
