

2016 Summer Reading Assignment Students entering Grade 6

June 2016

Dear Parents and Students,

This summer reading assignment is designed to encourage our students to read independently and to engage with text through a variety of activities. The assignment allows for choice, taking into account a multitude of learning styles and seeks to develop many of the skills addressed in our Common Core State Standards.

Students are required to read two (2) books and **to complete one “Summer Reading Response Choice Board” for each of the books.** The activities on the choice board are suitable for books of fiction and nonfiction. Please be sure to read the board carefully. You are free to choose your own books! If you need suggestions, please refer to the list provided. Have fun and find books that interest you.

Please bring your two (2) completed reading response board work to Literacy class by September 12, 2016. Remember this is a graded assignment for the first quarter. Bring your best work! Enjoy your summer!
